Jagat Guru Nanak Dev Punjab State Open University, Patiala, is Punjab state's initiative to herald open learning education in Punjab. Established in the year 2019, to commemorate 550th birth anniversary of Guru Nanak Dev Ji, within a short duration of three years of its inception, the university has done commendable work to revamp the educational framework of the State. The university continues to receive an increasingly diverse range of students into its new age educational programs. The faculty staff, students and administration of the University is committed to provide high quality education in the open and distance learning mode to the students and remote learner through flexible mode of teaching and learning so that more and more students can have access to education and become economically independent and socially aware.

The academics at PSOU is designed with the intention to provide the students a strong background in fundamentals, an ability to translate it to real life problems and a capacity to design, build and analyse different products, processes and system. Guided by skill-based curriculum and courses, the teaching-learning process ensures the development of globally desired skills, as recommended by various professionals' bodies/societies. Incorporation of degree, diploma and certificate courses from all areas, be it humanities, commerce, sciences, management, technology etc. ensures holistic development of learners who understand the impact of their action/ decision on the society and environment at large. I hope more and more people are going to join our community of life-long learners.

I congratulate the editorial team of university's mouth-piece, PSOU Times, for bringing out its maiden edition.
